NOTICE TO BIDDERS

Prequalification

Bidders must be prequalified with the Ohio Department of Transportation's Office of Contracts, Contractor Qualifications Section, at least 90 days before the date set to open bids, also including sub-contractors.

Certificate of Compliance with Affirmative Action Programs

No contract shall be entered into unless the bidder possesses a valid Certificate of Compliance with Affirmative Action Programs, issued by the State EEO Coordinator, Certification Section, 77 South High Street, 24th Floor, Columbus, OH 43215, dated no earlier than 180 days prior to the date set for the opening of bids.

PREPARATION OF PROPOSAL

The blank spaces in the proposal must be filled in correctly, where indicated, and typed or written in black ink.

The bidder is required to enter a unit price bid in the "Unit Cost" column and to multiply the unit price bid times the quantity set forth for that "Item No." and to then enter the result in the "Total Cost" column. The bidder is further required to enter a lump sum bid in the "Total Cost" column for each "Item No." which requires a "Lump Sum Bid". The bidder shall then add all of the figures in the "Total Cost" column (exclusive of individual section sub-totals) and enter the sum in the space provided for the "PROJECT TOTAL".

Failure by a bidder to enter a unit price or lump sum price for each item set forth in the bid proposal will render the bid non-responsive at the discretion of the Perry County Engineer (hereafter referred to as Engineer).

The "TOTAL AMOUNT OF THE BID" set forth on the "Unit Price Contract" page is only for the convenience of the Engineer in reading bids. The unit prices and lump sum prices entered in the "Unit Price Bid" column will normally govern the award of the contract unless the Engineer determines from the face of the bid that the bidder had a different unit or lump sum price intent.

Investigation:

The Engineer may conduct such investigations as he deems necessary in order to assist in the evaluation of any bid.

Bid Guaranty - (Payable to the Perry County Commissioners):

Each bidder is required to file with his bid a certified check or cashier's check for an amount equal to five percent of his bid, but in no event more than fifty thousand dollars, or a bid bond for ten percent of his bid payable to the Perry County Commissioners.

Construction Bonds & Insurance of Contractor:

The successful bidder must furnish a performance bond and a payment bond in an amount equal to one hundred percent (100%) of the contract price. (Sec. 5525.16 O.R.C.)

The successful bidder and each subcontractor shall maintain during the life of its contract and subcontract, Workers' Compensation Insurance, Public Liability with minimum coverage amounts of \$1,000,000 per occurrence, Property Damage with minimum coverage amounts of \$1,000,000 per occurrence, and Vehicle Liability Insurance.

Date set for completion: 60 days after notice to proceed.

Liquidated damages will be assessed as per ODOT 108.07.

Time for Submission of Bids:

Sealed bids for the Improvement Project will be received at the following location until 10:30 A.M., June 26, 2019.

Perry County Board of Commissioners
121 W. Brown Street
New Lexington, OH 43764

FEDERALLY REQUIRED EEO CERTIFICATION

The bidder hereby certifies that he **has**, **has not**, participated in a previous contract or subcontract subject to the equal opportunity clause, as required by Executive Orders 10925, 11114, or 11246, and that he **has**, **has not**, filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance, a Federal Government Contract Compliance, a Federal Government contracting or administering agency, or the former President's Committee on Equal Employment Opportunity, all reports due under the applicable filing requirements.

Circle the Appropriate "**has** or **has not**" above.

FEDERALLY REQUIRED EEO CERTIFICATION CLAUSE

The Federally Required EEO Certification is required by the Equal Employment Opportunity Regulations of the Secretary of Labor (41 CFR 60-1.7(b)(1)), and must be submitted by bidders and proposed subcontractors only in connection with contracts and subcontractors which are subject to the equal opportunity clause. Contracts and subcontracts which are exempt from the equal opportunity clause are set forth in 41 CFR 60-1.5. (Generally only contracts or subcontracts of \$10,000 or under are exempt.)

Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders of their implementing regulations.

Proposed prime contractors and subcontractors who have participated in a previous contract or subcontract subject to the Executive Orders and have not filed the required reports should note that 41 CFR 60-1.7(b)(1) prevents the award of contracts and subcontracts unless such contractor submits a report covering the delinquent period or such other period specified by the Federal Highway Administration or by the Director, Office of Federal Contract Compliance, U.S. Department of Labor.

Construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the Contractor also is subject to the goals for both its federally involved and non-federally involved construction.
